

The Brave Little Misha: Escape

*This book details the back story of the new dog that the family adopts in the book, Goodbye Poonjab. Misha has had a rough start in life. As a small puppy, she lived in an abusive environment. There was verbal and physical abuse on a daily basis, more importantly, there was no love. In fear of her life, little Misha breaks free from her evil captor and flees into the fearful unknown--the big city. She struggles to survive on the streets and soon is rescued by a kind stranger who takes her to the local animal shelter. It is there an underweight, sick Misha fights to regain her health. She discovers the courage to be brave and allow herself to love and trust people again. The Brave Little Misha is a story that teaches children the importance of treating animals, and people, with love and respect. It also encourages them to consider the adoption of rescue animals from the animal's perspective. The Brave Little Misha is a story with depth and purpose. A tale that will engage children and it can be used to aid them through the many emotional difficulties of overcoming abuse. Often professionals use art and books to help abused children open up and talk. This book can be used to allow the child to discuss the abuse through Misha instead of directly talking about their experience.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
