

The Call of the Wild (Annotated)

The Call of the Wild, by Jack London has been a popular title for preteens and young adults for generations. This edition has been published with chapter-by-chapter vocabulary terms and their corresponding definitions. Definitions have been developed to suit both the story, and a variety of readers, including ESL learners and those who may have to work a bit harder to be included in the classroom. The story text of course, is all Londons.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
