

The Cherryfield Register, 1905 (Classic Reprint)

Excerpt from The Cherryfield Register, 1905
The story of the Indians in the state of Maine is ever interesting, Especially is that of the region of the Penobscot valley. This race of men is the subject of pity as well as of hatred, hated for their cruelty, and pitied for their misfortune at the hands of their more civilized fellows, the Anglo Saxons. We of a later day can look upon this race in a spirit of greater fairness than could our ancestors whose view of the red man was obscured by his late acts of rapine and plunder. As we read history lei us remember that the were struggling to retain their own domain, to defend their Fatherland against the acts of the aggressive pale face whose deeds of power we delight to honor. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
