

The Confident Writer

The Confident Writer has taught countless students the fundamentals of writing--how to turn a good idea into a full, polished essay--with an eye to audience and strong supporting detail. It builds writing confidence by strengthening writing skills and encourages students to try out strategies to develop a writing process that works best for them. The four parts of The Confident Writer focus on writing and developing an essay or research paper, selecting a thesis and patterns of organization, analyzing and synthesizing diverse readings, honing new writing skills, and improving and proof reading for grammatical accuracy. The Students Web Site offers students additional activities and information.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
