

The Daughters of Danaus

This brilliantly witty novel (1894) follows the lives of two sisters in a wealthy Scots family. One escapes to a profession in London and eventually a decent marriage while the heroine, Hadria, vows to become a composer in Paris, but is thwarted. The Daughters of Danaus reveals the power of marriage and the family hold in controlling the lives of talented, spirited women; but unlike other oppressed heroines of the period, Hadria and her feminism both survive. The books includes a trailblazing essay on marriage published by Caird, a visionary novelist and social critic.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
