

# Chasing the Long Rainbow: The Drama of a Singlehanded Sailing Race Around the World

In August 1986, Hal Roth set out to race around the world: 27,550 miles from Newport to Newport. This book is his personal account of failure and triumph in his struggle against gales, flat calms, mountainous seas, gear failure, injury and illness.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
