

The Effects of Mass Communication on Political Behavior

The work is based on a two-year analytic review of the literature followed by a one-year synthesis of the findings. The result, in the words of a pre-publication reviewer, is an attempt to redirect research in this whole area by examining the demonstrated utility of various approaches, urging that we discard some and adopt others as promising. The Effects of Mass Communication on Political Behavior will be indispensable for all students of communication, political behavior, speech, journalism, political sociology, and social psychology.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
