

The English Royal Family of America: From Jamestown to the American Revolution

For about a century and a half after they arrived from England, Americas first permanent colonists considered themselves to be English. They were proud of their heritage and loyal to their country. Englands royal family truly was the royal family of America until the era of the American Revolution, when the colonies fought for their independence from England and its rulers. Elizabeth I, James I, Charles I, Charles II, James II, William III and Mary II, Anne, George I, George II, and George III the English royals who were also the royals of early America are all covered in this work. It begins with Queen Elizabeth I, as it was during her rule that Sir Walter Raleigh established his settlements in America, and ends with King George III, as it was during his rule that the American Revolution began. A biographical sketch is provided for each royal and his or her spouse and legitimate children. Brief mention is made of mistresses and illegitimate children.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
