

# The Essential Handbook for African Creative Writers: By Goretti Kyomuhendo

Recognized as a contemporary African novelist of international importance, Goretti Kyomuhendo, a judge for 2013 Commonwealth Book Prize, is the author of *The First Daughter*, *Secrets No More*, and *Waiting: A Novel of Ugandas Hidden War*. But Goretti is as well-known in African literary circles for her mentorship of younger writers, including her service from 1997-2007 as the Programs Coordinator for FEMRITE - Uganda Women Writers Association. Now, as the Director and a founding member of African Writers Trust, Goretti continues to work with new and emerging writers. In this handbook specifically addressed to the needs of and opportunities for African Creative Writers, Goretti not only shares her own experience as to what works, how, and why. But she also answers the questions and issues that the new writers most often ask her about: How can I get published? How do I deal with writers block? Sustain my writing? Create credible settings? Use dialogue effectively? And much more. The *Essential Handbook for African Creative Writers* is recommended for new creative writers, teachers of creative writing, and even established writers desiring a fresh perspective on the fundamentals

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
