

The Farmers Alliance History and Agricultural Digest (Classic Reprint)

Excerpt from The Farmers Alliance History and Agricultural Digest
The organization known as the Farmers Alliance has assumed such vast proportions, and attracted such widespread attention, that a detailed, authentic history of its origin, growth, aims, and purposes, has become a necessity. At the urgent solicitation of many of the brethren, and moved by a desire to serve the best interests of the order, I have undertaken the task of placing before the public, and within reach of all, a work of this character. In doing so, I have enjoyed exceptional facilities for obtaining correct information and original documents and records, and have also had the hearty co-operation and aid of many of the best members of the order. The number and value of the contributions from this source, found in this book, will bear testimony to these statements. I have thus been enabled to drink at the fountain-head of all Alliance information, regarding its conception, advancement, and its present status. All this I have tried to present faithfully and truthfully, for the consideration of my readers. The history which I have given proves the saying that Truth is stranger than fiction, and that the hand of Providence can be seen in the shaping of the conditions of men. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
