

The History of the Parish of Garstang in the County of Lancaster, Vol. 1 (Classic Reprint)

Excerpt from The History of the Parish of Garstang in the County of Lancaster, Vol. 1. In presenting to the members of the Chetham Society what I may call another Chapter in the History of Amounderness, I have few introductory remarks to make. The parish of Garstang - is next to the parish of Kirkham - the largest in the hundred, and from its situation, antiquity and surroundings, it was thought that its records could not fail to yield much that would be interesting to the historian and genealogist. In this respect my hopes have been more than realized, as I venture to think the following pages will show. Every available source of information has been consulted, and no effort has been spared to exhaust the subject without printing what would be of little or no value. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
