

## International Whos Who of Authors and Writers 2011

The International Whos Who of Authors and Writers 2011 provides an invaluable and practical source of biographical information on the key personalities and organizations of the literary world. Now in its twenty-sixth edition, the book is revised and updated annually by our editorial team and covers the most important authors and writers at work today. This title will prove an invaluable acquisition for journalists, television and radio companies, public and academic libraries, PR companies, literary organizations and anyone needing up-to-date information in this field. Entries: Biographical details are listed for writers of all kinds, including novelists, playwrights, essayists, editors, columnists, journalists, as well as literary agents and publishers. Each entry provides personal information, career details, works published, literary awards and prizes, memberships and contact information, where available. Key Features: almost 8,000 entries, a directory section, including detailed lists of major international literary awards and prizes, principal literary organizations, literary festivals and national libraries, entries for established writers, as well as for those who have recently risen to prominence. Hundreds of new entries are included in this edition.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
