

## The Journey of a Black Norwiccan: Spirituality meets enlightenment and creates a warrior

Shannon Reilly is a non commissioned officer in the army and one event sends her on a downward spiral that changes her life. Raised protestant and her family are regulars in church, but the murder of her four year old son changes everything. She learns when you question the church you become the black sheep of the congregation. Needing to get away from everyone and especially the close minded people in her town. Shannon takes a journey to North Carolina and finds sanctuary with the most unlikely of peoples... Pagan Witches... Lost and confused she learns more about herself as well as where she headed. Shannon learns the real fight is going to take place in the bible belt of North Carolina not just within herself, but also among the masses.... She has to decided which battle to fight or if both are one in the same.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
