Excerpt from The Kinnears and Their Kin: A Memorial Volume of History, Biography, and Genealogy, With Revolutionary and Civil and Spanish War Records; Including Manuscript of Rev. David Kinnear (1840) The figure which precedes any name wherever found in this book, refers to the individual of that number; when this number is followed by a, further information will be found of him and his descendants. The Roman numerals refer to the number in any one family. The figure following the name is the generation number. By this arrangement the relationships and direct lines of descent can be easily traced. As an illustration: 5. iii. Andrew Kinnear. We next find him on page 7. Viz.: (5) Andrew Kinnear, William, James. With the date of his birth, marriage and death, and the names &c., of his children.
