

## The Legend of Gili the Christmas Kid

This is a beautifully illustrated children's story about how an ordinary kid goat becomes a Christmas kid. After his mother is driven into the wilderness because of a sad custom, a kid goat called Gili is forced to make sense of the world without her love and guidance. He struggles to be kind and good, but everything changes after strangers arrive to share his stable. Before he knows it, he becomes a witness to a series of life-changing events.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
