

The Ghost of Black Rock Castle (The Jess Mystery Series Book 1)

The Ghost of Black Rock Castle is the first adventure story in The Jess Mystery Series for children aged 7 years and older. Jess and her best friend Ruby set out on a school trip to Black Rock Castle with the rest of Class Three from Oakhill Primary School. Jess is sure that the castle is haunted by a ghost, but their teacher Mrs Green says that there are only ghosts in stories. Class Three visit the Castle dungeons and the Great Hall. Children go missing, Ruby is scared and Jess thinks shes seen the ghost. There are a lot more spooky experiences in store and when they visit the Ghost Tower, Jess and Ruby are frightened and challenged by the ghost. Do they escape? Does the ghost really exist?

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
