

The Masai: Their Language and Folklore (Classic Reprint)

Excerpt from The Masai: Their Language and Folklore

The Masai occupy a considerable part of the large plains which extend from about one degree north of the equator to six degrees south of it, situate in both British and German East Africa. Those living in British territory commonly call themselves Il-Maasae, whilst the German Masai are to a large extent known as L. Oikop or Il--Lumbwa. In olden days the coast people termed them without discrimination Wa-Masai or Wa-Kwavi , names which have been perpetuated by Krapf and others. Sir H. Johnston states and probably correctly, that the Masai represent an early mixture between the Nilotic negro and the Hamite (Gala-Somali); and that this blend of peoples must have been isolated somewhere in the high mountains or plateaux which lie between the Nile and the Karamojo country. Certain it is that the Latuka, who are supposed to be descendants of the ancestral Masai, and who occupy this country, speak a language that is closely allied to the Masai tongue, and have many customs in common with the Masai. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4

Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
