

Yukon: Sled Dog

Sled dogs must love to run. Sled dogs must be strong. Sled dogs must obey commands. Sled dogs must get along with teammates. Puppy Yukon is the only girl in her litter, and she's got high energy. Could she be a leader in the sled dog team? Trainer Roberta works with the puppies. Yukon is faster and smarter than her brothers. Roberta thinks Yukon can help lead the team! Yukon continues to train with her team for two long years. Is she finally ready to race? Mush! Mush!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
