

The Return of the Rainbow Griefers: An Unofficial League of Griefers Adventure, #4 (League of Griefers Series)

Will Noah and Violet finally defeat Daniel and his crew of rainbow griefers? Violet and Noah's village is celebrating the new amusement park opening in town. Everyone is enjoying the fun rides and tasty food. But when Noah spots a rainbow griever in the village carrying blocks of TNT, the celebration suddenly stops. Before the townspeople can do anything about the dangerous interloper, the roller coaster explodes! The accident with the roller coaster is blamed on Noah and Violet's frequent enemy, Daniel. The duo must stop Daniel and his new crop of rainbow griefers before they do anymore damage to the village or the world of Minecraft. Things get tricky when Noah and Violet get a message from an old friend who needs their help. Can Noah and Violet come to the aid of their friend while saving their village? It will be a team effort to stop the rainbow griefers in this battle, but are the Minecrafters up for the challenge? Find out in this thrilling fourth installment of the League of Griefers series! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers: picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
