

The Ouija Board Diaries: The Boy in the River

When Jay and his mother buy an old farm surrounded by dense woods, he discovers a flowing river that holds a secret down below. Jay and his friend, Jimmy, have been on treasure hunts of unusual items. One day, Jay comes across the best find yet-a Ouija Board. But he doesn't know what powers it holds until he and his friends begin to use it and unleash a jealous spirit. The paranormal activity becomes more intense as the boys delve deeper into the mystery of this angry spirit down at the river's edge. Can the Ouija board answer all of their demanding questions or will it be their demise?

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
