

The Registers of the Parish Church of Brantingham, East Yorkshire, 1653 1812 (Classic Reprint)

Excerpt from The Registers of the Parish Church of Brantingham, East Yorkshire, 1653 1812 The parish of Brantingham comprised the chapelries of Blacktoft and Ellerker. The living was appropriated by the Bishop of Durham to the Prior and Convent, who probably sent relays of clergy to minister to the three churches. Blacktoft had a separate register, but that at Brantingham included Ellerker. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
