

The Phantom in the Mirror (Hank the Cowdog Book 20)

Pete warns Hank that a stray dog has invaded the ranch and is lurking inside the machine shed. Naturally, Hank goes to investigate, and sure enough, he finds the Phantom Dog--in an old mirror stored in the machine shed. But then Drover looks into the same mirror and sees a Handsome Prince. Holy smokes, it appears that two dogs have invaded the ranch!

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
