

Cornwall Parish Registers, Vol. 8: Marriages (Classic Reprint)

Excerpt from Cornwall Parish Registers, Vol. 8: Marriages. At the same time, they feel confident that subscribers to the Parish Register Series will have no cause to regret their adhesion to the present scheme. The reader will, of course, remember that these printed abstracts of marriage registers are not evidence in the technical sense. Certified extracts must still be obtained when evidence of a Marriage is required for proving a pedigree in a court of law, or when registering it at Heralds College. For such certificates application must be made to the clergy in charge of the original registers. The reader is indebted to Mr. W. H. L. Shadwell, F.S.A., for his courtesy in allowing the collation of the parochial entries with the transcripts in his custody, and to the clergy who have permitted the registers to be printed, Their names are mentioned under the various parishes. It only remains to say that the editors will gladly welcome further help in the work of transcribing registers for future volumes. They hope to send Volume IX to press at an early date. YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
