

The Power of the Word: Scripture and the Rhetoric of Empire

What is the purpose of reading the Bible? Elisabeth Schussler Fiorenza tackles the tough question of the Bible's role in the world today and how its vision can further a more just world. She shows particularly the radical power of the Word to challenge imperial ways, the humiliation of persons, and the use of religion itself to keep people down, today as then. Finally, she offers an understanding of the implications of such a program for the field and practice of biblical studies, an indispensable partner in challenging the status quo.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
