

## The Principles of English Grammar: Comprising the Substance of All the Most Approved English Grammars Extant, Briefly Defined, and Neatly Arranged; ... in Parsing and Syntax (Classic Reprint)

Excerpt from The Principles of English Grammar: Comprising the Substance of All the Most Approved English Grammars Extant, Briefly Defined, and Neatly Arranged; With Copious Exercises in Parsing and Syntax It is probable that the original design and principal motive of every teacher, in publishing a school-book, is the improvement of his own pupils. Such, at least, is the immediate object of the present compilation; which, for brevity of expression, neatness of arrangement, and comprehensiveness of plan, is, perhaps, superior to any other book of the kind. My chief end has been to explain the general principles of Grammar as clearly and intelligibly as possible. In the definitions, therefore, easiness and perspicuity have been sometimes preferred to logical exactness. Orthography is mentioned rather for the sake of order, than from a conviction of its utility; for, in my opinion, to occupy thirty or forty pages of a Grammar in defining the sounds of the alphabet is quite preposterous. On Etymology I have left much to be remarked by the teacher in the time of teaching. My reason for doing this is, that children, when by themselves, labour more to have the words of their book imprinted on their memories, than to have the meaning fixed in their minds; but, on the contrary, when the teacher addresses them viva voce, they naturally strive rather to comprehend his meaning, than to remember his exact expressions. In pursuance of this idea, the first part of this little volume has been thrown into a form more resembling heads of Lectures on Grammar, than a complete elucidation of the subject. That the teacher, however, may not be always under the necessity of having recourse to his memory to supply the deficiencies, the most remarkable observations have been subjoined at the bottom of the page, to which the pupils themselves may occasionally be referred. The desire of

being concise has frequently induced me to use very elliptical expressions; but I trust they are all sufficiently perspicuous. I may also add, that many additional and critical remarks, which might have, with propriety, been inserted in the Grammar, have been inserted rather in the Key; for I have studiously withheld everything from the Grammar that could be spared, to keep it low-priced for the general good. The Questions on Etymology, at the one hundred and seventy-second page, will speak for themselves: they unite the advantages of both the usual methods, viz., that of plain narration, and that of question and answer, without the inconvenience of either. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
