Howard Roger Garis, (April 25, 1873 November 6, 1962) was an American author, best known for a series of books, published under his own name, that featured the character of Uncle Wiggily Longears, an engaging elderly rabbit. Garis and his wife were possibly the most prolific childrens authors of the early 20th century. Many of his books were illustrated by Lansing Campbell. Garis was born in Binghamton, New York. He and his spouse Lilian Garis both worked as reporters for the Newark Evening News. He did some work on the side for WNJR also in Newark. -Wikipedia

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
