

Collins Big Cat Arabic – The Red Balloon: Level 6

Collins Arabic Big Cat is a guided reading series for ages 3 to 11. The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 6 books provide an advance on level 5. Sentences are still highly repetitive but slightly longer, with simple story development supported by illustrations. Double spacing is used between words to ensure children see where each new word in a sentence begins and ends. Although the focus at level 6 remains on reading the core words, the concept of reading hamzat al-wasl and sun letters correctly is introduced in non-verbal sentences of up to 4-5 words. The red balloon flies up, up, and away! Follow the balloons journey over the captivating landscape of the rooftops, river, mountains, and the sea in this simple nonfiction recount. The flow chart on pages 14 and 15 allows children to discuss and recap the balloons journey.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
