

The Rise of the Athenian Empire, from Thucydides, Vol. 1 (Classic Reprint)

Excerpt from The Rise of the Athenian Empire, From Thucydides, Vol. 1 The following chapters are, from a historical point of view, the natural introduction to Thucydides. Though they actually appear as episodes in his narrative, they contain a succinct account of the period immediately preceding that which he intends to treat more fully, and thus exactly correspond to the opening chapters in Macaulay or Freeman. This was the reason which originally led me to select them as an introduction to the study of Thucydides. In all other respects, however, they will be found a fair representative of his ordinary style, and they have one characteristic, which will, I think, be of use to some teachers, in these days, when boys so often possess selections instead of whole authors. Most teachers of fifth forms are obliged to resort to the books in current use for passages for unseen translation, and as the unseen should be easier than a prepared lesson, it is often very difficult to find suitable passages for the former. This selection has this. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality

YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
