Excerpt from The Romance of Blonde of Oxford and Jehan of Dammartin Oxford whereupon he rode up to him, and saluted him. The Earl returned the salutation, for he understood French well, having been in France to learn it, and asked our wanderer when he had left that country, why he had quitted his home, and what business had brought him to England. Jean brie y told him his history, and said that he had come to England in search of service. After some conversation, the Earl of Oxford retained Jean of Dammartin as an esquire of his household. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
