

The Hidden Persuaders

Almost 60 years ago, Vance Packard took the American Advertising Industry to task for their tactics, that used unusual methods to as he felt, compelled people to buy the items being touted as necessary by various agencies...shade of Mad Men. As the first in a series of books exposing the manipulation of buyers by the bad guys, this is a vintage attempt to sound the alarm. Packard also tackled the marketing of Political Candidates as commodities. With the huge amount of spam-ology arranged today on a regular basis perhaps he was not so far off. Again, this is a vintage look at manipulation...and not that distant from fact.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
