

## All the News Unfit to Print: How Things Were... and How They Were Reported

You really can't believe everything you read . . . A premature newswire report announces the end of World War I, spurring wild celebrations in American streets days before the actual treaty was signed. A St. Louis newspaper prints reviews of theatrical performances that never took place they had been canceled due to bad weather. New York newspaper reporters plant evidence in the apartment of the man accused of kidnapping the Lindbergh baby and then call him a liar in the courtroom once the trial begins. These are just a few of the many wrongs that have been reported as right over two centuries of American history. All the News Unfit to Print puts the media under the microscope to expose the many types of mistakes, hoaxes, omissions, and lies that have skewed our understanding of the past, and reveals the range of reasons and motivations from boredom and haste to politics and greed behind them. Reviewing a host of journalistic slip-ups involving Ben Franklin, Mark Twain, William Randolph Hearst, Theodore H. White, and many others, this book covers the stories behind the stories to refine incorrect first drafts of history from the Revolutionary War era to more recent times. All the News Unfit to Print is a rollicking joyride that careens through the ridiculous, the odd, and the serious malfeasances in American journalistic history and reminds us of the difference between news and facts. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
