

The Story of Papiamentu: A Study in Slavery and Language

The Story of Papiamentu is a non-linguistic history of the creole language, Papiamentu, which is spoken in Cura_ao, Aruba and Bonaire. Papiamentu is a Spanish-based creole which most believe to have originated in the 17th century. The exact origin of Papiamentu is in dispute, and this text discusses whether it is the result of the Spanish of explorers mixing with the language of the local Indians, or if it originated with Portuguese slavers in Africa. Also discussed are the activities of the Portuguese explorers and slavers in Africa, the later activities of the Dutch slavers, the history of slavery in Cura_ao, the oral and written development of Papiamentu, and the Sephardic Jewish community of Cura_ao and their contributions to the development of Papiamentu.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
