

Wild (True) (Italian Edition)

UN GRANDE FILM DA UN GRANDE LIBRO. DAL REGISTA DI DALLAS BUYERS CLUB CON IL PREMIO OSCAR REESE WITHERSPOON Dopo la morte prematura della madre, il traumatico naufragio del suo matrimonio, una giovinezza disordinata e difficile, Cheryl a soli ventisei anni si ritrova con la vita sconvolta. Alla ricerca di se oltre che di un senso, decide di attraversare a piedi l'America selvaggia per oltre quattromila chilometri, tra montagne, foreste, animali, rocce impervie, torrenti impetuosi, caldo torrido e freddo estremo. Una scrittura intensa come la vicenda che racconta, da cui emergono con forza tutto il fascino degli spazi incontaminati e la fragilità della condizione umana di fronte a una natura grandiosa e potente. Una storia di avventura e formazione, di paura e coraggio, di fuga e rinascita.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
