

The Thoughtful Reader

Good reading, thinking, and writing abilities are essential to college success. With engaging articles, essays, stories, textbook chapters, and writing exercises, THE THOUGHTFUL READER helps you develop these crucial skills. Carefully selected readings introduce you to the types of materials you will encounter in your college courses and your adult life. Review, discussion, and exam questions are presented so that you can see what you will face in an actual course. Tools such as Thinking about the Theme, Introduction to the Reading Selection, Vocabulary, Guide Questions, Applications, Writing Assignments, and Making Connections are designed to help you improve your reading and writing skills and succeed in your college courses.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
