

The Windham Register, 1904 (Classic Reprint)

Excerpt from The Windham Register, 1904
In recurring to the local history of the town of Windham we find that on Nov. 20. 1734 , Altraham Howard and Joseph Blaney, representatives of the town of Marblehead, sent a petition to the General Court of Massachusetts showing that the town was very small in extent for its number of inhabitants, and prayed for a tract of land for a township for such of its citizens as would settle thereon. This petition was granted the following year, and John Wainwright, John Hohson, and Daniel Epes were appointed on the part of the House, William Dudley and Ebenezer Barrell on the part of the Council; which committee was fully authorized to admit sixty inhabitants belonging to the town of Marblehead who most need a grant, to become grantees, to lay out the township and also the first division of home lots. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality.

Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
