

The Wrong Man (Longman Originals)

Longman Originals is a series of graded readers in four stages. All the stories are original - that is to say, written especially for the series. Originated from the Longman Structural Readers, the series aims to offer a stimulating range of modern stories, including detective stories, adventure and romance. A stage 1 reader, this volume features a police commissioner on holiday near Ayers Rock in Australia. A warning is given that a killer is waiting for him there. Steve Malone, a police agent, has to find that killer - in two days. Then Steve receives a message about a wrong man.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
