

The young seamans guide, or, The mariners almanack containing an ephemeris with the use thereof, teaching every ordinary capacity how to give an astronomical judgement of the windes and weather (1659)

The young seamans guide, or, The mariners almanack containing an ephemeris with the use thereof, teaching every ordinary capacity how to give an astronomical judgement of the windes and weather (1659)

HISTORICAL ALMANACS.

Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. Historically, almanacs served a variety of purposes from the more practical, such as planting and harvesting crops and plotting nautical routes, to predicting the future through the movements of the stars. This collection provides a wide range of consecutive years of almanacks and calendars that depict a vast array of everyday life as it was several hundred years ago.

The young seamans guide, or, The mariners almanack containing an ephemeris with the use thereof, teaching every ordinary capacity how to give an astronomical judgement of the windes and weather Gadbury, Timothy. Tables. [103] p. London : Printed for Francis Cossenes, 1659. Wing / G102 English. Reproduction of the original in the Bodleian Library

++++

This book represents an authentic reproduction of the text as printed by the original publisher. While we have attempted to accurately maintain the integrity of the original work, there are sometimes problems with the original work or the micro-film from which the books were digitized. This can result in errors in reproduction. Possible imperfections include missing and blurred pages, poor pictures, markings and other reproduction

The young seamans guide, or, The mariners almanack containing an ephemeris with the use thereof, teaching every ordinary capacity how to give an astronomical judgement of the windes and weather (1659)

issues beyond our control. Because this work is culturally important, we have made it available as part of our commitment to protecting, preserving and promoting the worlds literature.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
