

## A Short Grammar of the Greek New Testament, for Students Familiar With the Elements of Greek (Classic Reprint)

The reception of the Short Grammar has been more than satisfactory. The Italian Edition has now been in use for two years in the schools of Italy. The translation was made by Prof. G. Bonaccorsi of Florence, who has added valuable notes of his own. The German Edition is from the press of J. C. Hinrichs'sche Buchhandlung, Leipzig. The translation was made by Prof. Dr. H. Stocks, Seminar-Oberlehrer in Cottbus. The Addenda et Corrigenenda of this Third Edition were put at the service of Dr. Stocks. He has, besides, worked carefully over the whole book by way of revision and enlargement. In the earlier part of the volume Dr. Stocks has added much valuable illustration and reference to German works and thus he greatly enhances the value of the volume for German students. The French Edition is now ready also. It comes from the press of M. Paul Geuthner, Paris, and the publisher advertises it as la premiere grammaire en franais du Grec du N.T. The work of translation has been happily performed by Prof. Dr. Edouard Montet, Rector of the University of Geneva. He has also had the use of the Addenda et Corrigenenda of this Edition. The Dutch Edition is proceeding under the direction of Prof. Dr. H. Bavinck, of Amsterdam. A Spanish Edition is also in preparation by Prof. John S. Cheavens, D.D., Saltillo, for use in Mexico. I have to acknowledge the very great kindness of Mr. H. Scott, of Birkenhead, England, who has verified every reference in the grammar, and has made many most valuable suggestions. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
