

Thick Black Theory: Forbidden Strategies For Victory

The first and only translation of Li Zongwu's seminal work on black strategy by Zhao An Xin from <http://www.heavenson.com>. Thick Black Theory is a classic treatise on Strategy, similar to Sun Tzu's The Art of War. However, Thick Black Theory is more simple, easier to understand, contains immediately actionable material, and is a higher level of strategic abstraction than The Art of War. Anyone who loves The Art of War, Machiavelli, The 48 Laws of Power, etc. will also love Thick Black Theory.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
