

## Three Wise Mice

This is a story about three field mice, Zechariah, Matthew and Nathan (Zack, Matt and Nat), who lived on a hillside outside the sleepy town of Bethlehem. They just happened to be there when the angel announced the birth of the Messiah to a group of trembling shepherds. Before they knew it, the shepherds had rushed off to Bethlehem to see the child the angel said would be lying in a manger. The little trio decided to make their own way to town so they could see this boy child for themselves. Little did they know what an adventurous journey it would turn out to be. So, stir up your imagination and enter a world of talking animals, impossible scenarios and unlikely partners. See if you can identify with these little creatures who were caught up in the wonder and mystery surrounding the birth of the Messiah - the King of kings and Lord of lords - born in a barn and lying in a manger.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
