

Reflect, Inform, Persuade: College Writing Today (with NEW MyWritingLab Student Access Code Card)

Reflect, Inform, Persuade examines the purposes for writing while demonstrating the varying processes writers employ to reach an end. The low price (~\$25 net*) and practical three-part organization make Reflect, Inform, Persuade an option for a variety of interests or course objectives. Author Elizabeth Kessler hones in on three important points: improving academic writing skills; writing for various purposes, gradually moving from self to a focus on the wider world; and using materials that can be used as models for good writing.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
