THIS BOOK IS PART of a SERIES. See the free preview for a list of articles in this months issue. And please feel free to sample previous and subsequent issues, also available at affordable prices. There has NEVER been a better time to self-publish a book, whether printed or digital -- or both. In 2012, 17 of Amazons top 100 sellers in the UK were self-published. In December of 2013, Amazon announced that fully 25% of its top 100 e-Books originated from Kindle Direct Publishing, a favorite outlet for self-publishers. Want the latest unbiased news about self-publishing from leading experts such as Stephanie Chandler, Scott Flora, Joel Friedlander, Shel Horowitz, Guy Kawasaki, Florrie Binford Kichler, Dan Poynter, Toni Rakestraw, Justine Schofield, Bob Spear and Rachel Thompson? Reports explaining new technologies, current publicity and marketing methods, and more... plus tips and tricks from bestselling DIYP authors, live links to useful resources and freebies? Pressed for time? Now you can get them all in a single fast and easy read, updated monthly. In todays world, the publishing industry is changing at a furious pace -- sometimes literally from one day to the next. SPM keeps you informed without endless scanning of Web sites, or sifting through zillions of offers from vendors trying to sell you goods and services you may not really need or want. The goals of SPM are simple: to help self-publishing writers create better books (printed and digital), and market them more effectively;

to help you avoid outlets that gouge unwary writers for large investments, or foster unrealistic expectations; to keep you abreast of the latest technologies, trends, and new methods that DIY publishers can deploy NOW for greater success in today's ever-changing industry. In a phrase: We don't want to sell you anything except SPM itself. We aren't influenced by advertisers or underwriters. Our expert columnists are on your side, delivering even-handed reports about ALL the options for self-publishing e-Books and print-Books. We don't favor one printer, e-publishing service or bookseller over another, except in terms of how you can get optimal results.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
