

To Succeed in Hebrew- Gimmel- Advanced Level

The book To Succeed in Hebrew- Gimmel - Advanced Level- is intended for students of Hebrew on a high level in Ulpan, schools and universities. The purpose of the book is to widen the students knowledge of the Hebrew language and Jewish culture and values. The book is suitable for students of Hebrew on the 3rd or 4th level. Texts are taken from various topics: Zionism, Judaism, literature, history, communication and others. Before the texts, there are preparatory exercises and following them there are exercises in reading comprehension. Likewise, the book includes language exercises on verbs and syntaxes, slang expressions, idioms and expressions. At the end of the book there is a Test Yourself summary that includes all types of language exercises in the book. The checkup allows for review and summary of the material learned and self-evaluation of how well the material was understood.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
