

Assessing Second Language Reading

Assessing Second Language Reading is addressed to both teacher-trainees and to those interested in the teaching and learning of reading in a second or foreign language. It is specifically for teachers who are interested in an alternative method of assessing readers reading comprehension for both research purposes and classroom use. The book includes a general overview of reading theories and models. It provides a thorough theoretical basis for teachers to understand the comprehension process. An example of how the written recall is used to assess readers understanding is also included.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
