

## Tops of the North: Carlisle and the Cheviot to the Cat and Fiddle v. 2

This is the second and final leg of Graham Wilson's 1,000-km high level walk linking County Tops (old and new) of northern England. From Carlisle to The Cheviot and the Northumberland coast, from the Durham moors to the Yorkshire Dales and the Peak District, his entertainingly roundabout route finally returns to the moorland near Buxton where it began. The diverse tour takes in Hadrian's Wall and Northumbrian castles, saintly Ways and long distance footpaths. In passing, Wilson discusses knitting miners and the Geordie language, Ted Hughes and the Venerable Bede, bogs, plagues and George I - and much more.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
