

Tots to Tweens Reading Log & Journal

Reading books regularly achieves so many positive results including stimulating imagination, improving emotional development and fostering natural curiosity. Reading a variety of books helps expand your knowledge of various subjects and helps improve your vocabulary, writing skills and academic success! Reading is an excellent replacement for TV and computer games and is essentially free if you take advantage of public libraries and book swaps! Encourage your child, grandchild, foster child, student, niece, nephew or friend to read and use this Tots to Tweens Reading Log & Journal to track their reading progress!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
