

Tracing Your Army Ancestors: A Guide for Family Historians (Family History (Pen & Sword))

This well-known author has produced yet another excellent guide for researching ancestors who have served in the Army. The book is an ideal text for reference when investigating army personnel. Military Archive Research.com A splendid publication with a great deal of valuable information. Michael Brooker, Guild of Battlefield Guides Whether you are interested in the career of an individual officer, researching medals awarded to a soldier, or just want to know more about a particular battle or campaign, this book will point you in the right direction. Assuming the reader has no prior knowledge of the British Army, its history or organization, Simon Fowler explains what records survive, where they are to be found and how they can help you in your research. He shows how to make the best use of the increasing number of related resources to be found online, and he pays particular attention to explaining the records and the reasons behind their creation, as this information can be very important in understanding how these documents can help your research.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
