

# Towards Coherent Policy Frameworks: Understanding Trade and Investment Linkages (Studies in Trade and Investment)

As economic integration continues, the distinction between domestic and international issues becomes more tenuous. Enhancing coordination and coherence among international trade, investment and domestic policies is of increasing importance for developing countries of the Asia-pacific region to compete effectively and reap the benefits of globalization. This publication brings together a number of papers that highlight the increasing significance of trade and investment linkages and their effect on the development of domestic industries and services.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
