

Transactions and Proceedings, 1902, Vol. 33 (Classic Reprint)

Excerpt from Transactions and Proceedings, 1902, Vol. 33 In studying the resemblances between Greek plays we have to observe, besides the more general and comprehensive resemblances of plots, as in the Choephoroe and the Electros, certain other kinds of similarity of less extent and compass. These may be grouped under three heads: (1) resemblances of motives, (2) resemblances of scenic situations, (3) verbal parallels. Of these it appears that the first and third have received more attention from students of the Greek drama than has the second, though it is impossible to deal adequately with resemblances of motives without taking account incidentally of resemblances of scenic situations. In his excellent Schlofscenen auf der attischen Biihne {Rhein. Mus. 46 [1891], pp. 25-46) Dr. Dieterich has dealt with both the latter and the former and has considered verbal parallels as well. As a further example of the way in which the several sorts of resemblances arc bound up together, and also of the way in which they may be complicated besides by derivation from several sources in the same passage, I may cite here the opening of the Philoctetes. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
