

Publish Your Specialty: A Step-by-Step Guide for Imparting Your Research Expertise to Others

If you have a genealogical specialty or knowledge of a type of records or repository that could help others, this book will: * take you through the four stages of publishing projects * show you how publishing works * help you pick a project to publish * lead you through a research review to see what you have and what you still need to instruct others in your specialty * give you the skills to engage the reader while explaining your expertise * lead you through the process of editing * instruct you how to prepare your manuscript to look like it was professionally published * and give you tips for getting the word out that you have a book available Everything you need to write and publish a how-to or instructional guide.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
